

Migrant and Refugee Display Request Form

We are pleased for your request in sharing this wonderful display at your parish. This display gives us the opportunity to embrace the One World Encounter in the Love of God (OneWe) initiative which takes diversity awareness to the next level by creating intercultural experiences among communities and individuals that would normally not encounter and/or engage with each other.

This display, *"Encounter the Voices of Migrants and Refugees"*, attempts to create a space of encounter that brings the lives of our newest friends close to you. We hope the community at your parish enjoys the experience.
